MISSION & VISION

MISSION

Our Mission is to support and promote the progress and prosperity of all the members in the Gems and Jewellery industry across India.

ALL INDIA GEMS & JEWELLERY TRADE FEDERATION

All India Gems & Jewellery Trade Federation is a national trade federation for the promotion and growth of trade in gems and Jewellery across India. It is a federation that has come together, for managing various aspects of fair trade practices and efficient organization of business in the gems and Jewellery industry. The numerous local associations already in existence do not focus on issues of the trade at a national level. It is hence that the All India Gems & Jewellery Trade Federation was setup in early 2005. The Federation unites manufacturers, wholesalers, retailers and exporters all over India for a common interest. This shall shape and influence the industry's future and bring integration and opulence among its members, while protecting the interest of the customers at the same time.

Over many years since the inception, GJF has been playing a major role in organizing and evolving the hitherto unorganized sector of the Gem & Jewellery Industry. GJF now represents more than 6 crore jewellers and their artisans spread all over the country. GJF advocates fair trade practices amongst its members and facilitates trade through various events and programs amongst its members.

The service being provided by GJF to the domestic sector of Gem & Jewellery industry is being widely acclaimed and well recognized by not only members spread across the nation but the national and state Governments also. In short span of time GJF has grown and transformed to an internationally renowned Apex Trade Body that represents the vibrant and most dynamic domestic sector of Indian Gem & Jewellery industry.

CHAIRMAN'S MESSAGE

Dear Members,

It is my pleasure to write to you as we embark on the 12th Year of our federation. 2016-17 was a year full of activities and we have seen changes in our federation, and the environment both. We came more close to the industry and GJF has spread its reach to the most niche areas of the country as well. I would like to talk about my observation from the past year in more detail.

Soon after last year's AGM, GJF became engrossed for general elections of COA 2016-18 and I must say that the industry showed great response to the open elections for GJF Committee of Administration held last year. The new board took charge in January 2017 and the installation ceremony of the new COA was held in February 2017. In the past 6 months, GJF team has shown good leadership and with the guidance of past Chairmen and support of new COA and ZCM, we could achieve the big 'GST goal'. With the undying efforts of all GJF COA – new and old, and the entire team, we made many representations to the government, the result of which is that the GST rate implemented on our industry is a minimum of 3%. These efforts of the entire GJF team popularized GJF in all corners of the country. We also made various other representations to government on BIS, Hallmarking and other IT related aspects.

Labham – which is a programme on compliance and best business practices, is doing wonders across India. Many jewellers are benefited from this seminar and we are receiving requests from various locations to conduct this daylong seminar in their respective areas. We have conducted Labham in Maharashtra, Uttaranchal, West Bengal and Jharkhand states as of now and we plan to conduct minimum 30 Labham seminars in my tenure. GJF also successfully conducted Fellowship Tour to Hong Kong in the last year.

Preferred Manufacturer of India is in itself become a brand now and the industry always looks up to it. In the past 6 months, we conducted PMI events in Delhi and Kolkata which were very successful and we are continuously taking PMI to new heights. Abhushanam B2B meets were also conducted in cities like Nagpur, Raipur and Kolhapur. We are almost on the verge of finalizing a dynamic committee for Lucky Lakshmi program and work on the same will begin soon. We will also come up with Manthan – A National Level Conclave.

The last year has been full of events and activities and the coming year will also be full of new events and activities. GJF has shown 360 degree dimensional efforts towards the industry, whilst following its motto of Promoting Protecting and Progressing. I wish you all the best and thank all members for their constant support towards the welfare of our industry. Finally I would like to quote the famous lines of Henry Ford "Coming together is a beginning; keeping together is progress and working together is success".

Chairman

AUDITORS' REPORT

Annexure to the Auditors' Report

Report on Internal Financial Controls under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 ('The Act').

We have audited the internal financial controls over financial reporting of All India Gems & Jewellery Trade Federation as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

AUDITORS' REPORT

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and may not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

AUDITORS' REPORT

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
