Also functioning as Co-ordinator of Kerala Jewellery Association Co-ordination Committee from 2015 onwards.

Having a cordial family, wife Shamia, children Ruksana, MBBS student, Sahil, Engineering student. Very active in somany social and charitable organization. Hardworking for the joined movement of Kerala Jewellers in various sectors.

Moto and Plan

Being hailing from a traditional business background, I am in the jewellery business for the last successful 25 years. My educational carrier had been fruitfully completed by me as i am a B.A.LL.B degree holder and I am an LL.M course completed graduate. In the year 1993 I joined as a member of AKGSMA, the mighty organisation of thousands of Kerala Gold and Silver Merchants. Now I am the State Treasurer of AKGSMA and also working as Cordinator of Kerala Jewellery Association Cordination Committee.

I am also Director of the Official Board of Kerala State Gold workers Welfare Board.

I am also functioning as a member of Central Exise and Customs Greivance Cell.

If I am elected to the proposed nomination post representing the AKGSMA, especially, I assure that GJC will get a wide range of performance arena all over Kerala where in thousands of various scale Gold Jewellers are doing business.

I am sure that being a major jewellery field in Kerala will totally stand abide GJC us I being a part of GJC officially. Kerala Jewellery arena is traditional as well as conventional. My foresight is to introduce the latest gem and jewellery Trendz to Kerala which are totally aking to Jewellery. I assure that I will act as a bridge between GJC and thousands of Kerala Jewellers to explore new possibilities to strengthen the GJC foundation.

Technically, legally and Govt. wise on the whole Gold business in India is facing serious threats against which we are opening a new war phase.

I totally expect that my entry into GJC will effect tremendous arena opening to GJC and I am convicted to see that it is executed at all cost. Expecting an opportunity to serve both GJC and AKGSMA.

The major problems and hardships the jewellery and the Gem Indusrty in India is facing a great threat to the very existance of the business itself. The wrong concept that 'Gem and Jewellery is a heaven and the jewellers is a Gold idol inside the glass showroom' is to be corrected. We have to cope with the hard realities of the Gem and Jewellery world. To fightout i will be in the forefront.

Thanking You,

**S.Abdul Nazar**
