PLANS & OBJECTIVES

It is a privilege to be a life member of **All India Gem & Jewellery Domestic Council** as it the only trade body which has national presence and works for the benefit of the industry colleagues as well as artisans engaged in the profession.

Being a small retailer, my objective will be focused on protecting, progressing and promoting all the small retailers in the Industry. As small retailers form the bulk of the total industry, it is paramount that they have the right knowledge about the latest development in the industry. It is utmost necessary for the industry to be in direct touch with all the small retailers to know the ground reality.

- **Communication:** Updating small retailers about the **latest development** of the Industry and collecting **information and insights** from them so that we can plan programs to help industry colleagues.
- **Business Practices:** Encouraging small retailers to get **organised** so that they are better equipped to face competition from big brands and excel in the business. **Promote compliance**, standardization and transparency for the growth and development of the industry sector.
- **Protect, Progress & Promote :** Furthering GJC's mission to protect, progress and promote the Gem and Jewellery Industry.

2. बेचने पर भाव और वजन में कटौती किये बगैर 22 कैरेट के भाव से वापस खरीदे जाते हैं।

3. गलाने पर इसकी शुद्धता में कमी नहीं होती है।
4. दुबारा बनाने पर वजन में कटौती नहीं होती है।
